Dear Members,

2005 has been a very good year for Cat Action Team. We have made great strides with our Trap Neuter Program.

Together with the Atlantic Vet Collage and all our Vet Clinics, Abeqweit, Kensington, Summerside and Montague, we were able to spay and neuter close to six hundred cats in 2004. Dr. Peter Foley will have more on that at the Annual General Meeting.

Please pick up and read your handouts they will be informative and entertaining to say the least.

Thanks so much for a great year!

Your Chairperson,
Eriena O'Reilly

Double Duty Quilt:

The beautiful cat quilt, made by Colleen Pidgeon and donated to CAT for a raffle, was won by Mary Beth MacLean, a Charlottetown CAT member. MarBeth then donated the quilt to a cat rescue group in Halifax so that they could raise funds on it as well. Our thanks to both Colleen and Mary Beth for their contribution to cat welfare.

Good news on West St.

For everyone who was worried about a cat on West St in Charlottetown which seemed very thin and hungry: Her owner has been found. The cat is 14 years old and suffering from a thyroid condition, but is well loved and sees her vet regularly. She now is wearing a collar and id.
